Research, Publications, Presentations and Projects

Sabbatical Project “Finding Yourself” *is a Readers Theater to be performed by speech 231 students. It is a collection of literary pieces arranged around a theme in such a way as to enable the listener to understand his or her own self worth while enjoying a good story. The intended audience is a highschool or college classroom of 20 to 30 students.*

Student Readers Theater Production - *The Jeans Machine Performed by Students in Speech 231.*
