Dear Chancellor Cox:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 7-9, 2015, reviewed the Follow-Up Report submitted by Kauai Community College (College). The Follow-Up Report was certified by the University of Hawaii President and the Vice President for Community Colleges, the Chair of the Board of Regents, the Chair of the Board Committee on Community Colleges, and by the Chancellor of the College.

Based on the College's report and evidence submitted, the Commission finds that Kauai Community College has addressed College Recommendation 6, UH System Recommendations 4 and 5, and has fully resolved the deficiencies in College and UH System policies, procedures, and practices which led to noncompliance with Eligibility Requirement 10 and Standards II.A.1.b, II.A.1.c, II.A.2.c, III.C.1, III.C.1.c, III.C.2, IV.A.5, IV.B.1.e, and IV.B.1.g.

While the College has addressed the Commission Requirement concerning Standard III.A.1.c, the Commission is concerned that implementation of and adherence to the UH Policy is inconsistent as to ensuring faculty (full-time and part-time) evaluations include the component of effectiveness in producing learning outcomes. The College should demonstrate consistent adherence to UH Policies in this regard in its Midterm Report.

The next report required from the College will be the Midterm Report in fall 2015. Institutions are expected to meet Eligibility Requirements, Accreditation Standards, and Commission policies at all times during the six-year review cycle. Kauai Community College must demonstrate to the Commission at the time of the Midterm Report that the recent changes implemented to resolve deficiencies and meet Eligibility Requirements and Standards have been sustained, and specifically address the concerns related to Standard III.A.1.c. Kauai Community College should submit the **Midterm Report by October 15, 2015.**¹

The Follow-Up Report submitted in October 2014 will become part of the accreditation history of the College. The Commission requires that you give the Follow-Up Report and this letter appropriate dissemination to your College staff and to those who were signatories of the Report. This group should include the UH Vice President for Community Colleges, campus leadership, and the Board of Regents.

The Commission also requires that the Follow-Up Report and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to post accreditation information on a page no more than one click from the institution's home page.*

On behalf of the Commission, I wish to express continuing interest in the institution's educational quality and students' success. Professional self-regulation is the most effective means of assuring institutional integrity, effectiveness, and educational quality.

Sincerely,

Barbara A. Beno, Ph.D.
President
