10.1. A motion was made from Asher Griffith to authorize Student Government the power to reallocate funds from SG Account #3326673 to SAC Account #3400449 or vice versa for the Fall and Spring semesters of 2024 and 2025 respectively.

Rationale: While we acknowledge it is important to have a budget plan, we also recognize that unforeseen circumstances may require the group to increase or decrease funds and to move funds from one item or project to another. Therefore, SG finds that is imperative to have the ability to transfer funds within accounts whenever necessary to complete our projects on a timely basis.
